15 Civ. 10154 (PAE)

ORDER

PAUL A. ENGELMAYER, District Judge:

The Court thanks counsel for their recent letter consenting to a bench trial and for identifying the weeks of September 12 and 19, 2022 as ones during which counsel are available for trial. Unfortunately, due to a criminal trial scheduled to start on September 12, 2022, that period is not presently available.

The Court will accordingly schedule a bench trial in this case on dates compatible with counsel's schedules. The Court has considerable availability during the months of June through August, and, given the ability to schedule a bench trial on non-contiguous dates, is confident that dates can be found during these months to accommodate a bench trial. The Court's law clerk will contact counsel shortly to fix dates for such a trial. Once trial dates are determined, the Court will issue an order setting deadlines for the additional pretrial submissions required for bench trials under the Court's Individual Rules.

SO ORDERED.
